Move-Up Policy

Move-ups will be allowed during Day of Show check-in and as announced before the afternoon Trials on both days of the event. Per the rules, Owners who move their dogs to the next level of competition prior to being notified by UKC that their dog has met the title requirement do so at their own risk. If the owner's records are incorrect, all passing searches and points earned while competing at the higher level of competition shall be disallowed.

Substitution Policy

If an entered dog must be excused (due to female in season or medical or other issue as noted in the UKC Nosework Rule Book) the exhibitor may enter another dog registered with UKC to themselves or an immediate family member. The exhibitor must complete both a UKC Entry Form for the new dog plus a Class Change/Entry Correction Form (both available from the UKC website or from the Trial Secretary) at least 30 minutes prior to the start of the first day's trial. If the entered handler cannot participate in the trial, another person may handle the UKC registered/entered dog.

If the entry is cancelled after the Pre-entry closing date, a refund will not be provided. Central Iowa Dog Sports Notice to Exhibitors

Competitors, through submission of entry, acknowledge that they are knowledgeable of UKC Nosework & Competition rules and regulations and the Central Iowa Dog Sports event rules including but not limited to the following rules regarding entry:

We at Central Iowa Dog Sports believe that all dogs should be allowed to rest and recover between searches, that handlers need some down time, and that NO dog-to-dog interaction is helpful. For this reason, all dogs will be crated or in the owner's vehicle.

All dogs will remain crated in a closed crate or in the handler's vehicle unless dog is being pottied or has been called to the line to search. If a dog is removed from the crate or vehicle for other reasons, or if the crate is opened and allows the dog to stick its head out of the crate for an extended time, the handler will be reminded once of this rule. If another reminder is required or if the dog causes any concern for the safety of others, the team will be excused from the trial facility and grounds – without refund, and the event will be reported to UKC.

- ❖ All exhibitors are expected to treat the judges, trial hosts and volunteers, canine partners, and all other exhibitors with respect.
- ❖ All judges and trial hosts are expected to show respect to all exhibitors.
- ❖ Good sportsmanship and respectful language is expected of those wishing to remain on the trial grounds and participate in the trial.
- ❖ Collars and Harnesses: The dog may wear flat collars, limited slip, martingale type collars, and harnesses. Studded, "pinch" or "prong" collars of any type of special training collars (such as electronic collars) are prohibited in the Nosework working area. Collars and/or harnesses must properly fit the dog and be approved by the official. Collar tags that are not attached or riveted directly to the collar, or any items hanging from the collar are prohibited in the Nosework working area.
- ❖ **Electronic training collars are not allowed on the show grounds.**
- ❖ Safety shall always be of foremost consideration in actions and conduct by handlers at all times.
- ❖ Handlers, through entry at this event, accept full responsibility for themselves and the actions of their dogs.
- ❖ Owners with a disability are encouraged to compete. Any necessary modifications to the exercises must be provided by the handler to the judge and approved by the judge.

In addition:

- ❖ The organizing committee may refuse any entry for any reason.
- ❖ THERE SHALL BE NO REFUND for entries in the event a dog and/or handler is dismissed from competition, regardless of reason for such dismissal.
- ❖ Potential reasons for dismissal may include blatant disregard of the venue or facility rules, unsportsmanlike conduct, and more.
- ❖ Move-ups are allowed; requirements are defined in this Premium.
- ❖ Substitution of dogs is allowed; requirements are defined in this Premium.
- ❖ There will be no refunds if the trial has to be cancelled for any reason.
- ❖ Run Order: Judges and stewards (Volunteers) may run in the first group.
- ❖ Returned checks do not constitute a valid entry. There will be a \$25 service charge for returned checks. Payment of entry fees and service charges shall be made by money order within 7 days of notice to exhibitor of returned check. Any fees not received within 7 days of notice result in cancellation of event result for all classes for the registration number(s) of delinquent entry/entries. No reinstatement of results is possible.
- ❖ All competitors through entry at this event waive any and all rights relative to video broadcast of this event. If you have your performance videoed for your own benefit, do NOT post it to social media until after the event is completed.
- ❖ Dogs must be on 6' leash while on show grounds unless being shown. No flexi-leads.
- ❖ Please pick up after your dog and yourself; an area will be designated for your dog's potty.
- ❖ Dogs and handlers must stay in the designated waiting area or with vehicles to avoid contaminating test areas or interrupting tests.
- ❖ If a dog has been exhibited, the dog must return to a crate or vehicle and the exhibitor may quietly observe remaining entrants when allowed.
- ❖ Due to the nature of the event, no more than a "passed" or "missed" message may be given to other exhibitors until after the class has completed and qualifiers are recognized. Competitors and spectators are not to discuss hide placement or any details of a dog's performance which may provide information or clues to other handlers.
- ❖ No drugs or alcohol are permitted on the trial grounds.

* Searches are in a realistic setting! The trial site is a beautiful and unique area on over 60 acres in a secluded location outside of Newton. Interiors, containers, and vehicles will all be in the same general area. The exterior search area will be approximately ¼ mile down a campground lane. Competitors will be allowed to drive to the search area at the direction of trial staff. Or a transport vehicle may be made available to take the teams to and from the search area.
